JAN MORGAN SCHOLARSHIP CONDITIONS OF AWARD

1. INTRODUCTION

In 2023 and 2024, the Australian National University ('the University') may offer an award known as the Jan Morgan Scholarship ('the Award').

The objective of the Award is to support women studying STEM disciplines (science, technology, engineering and mathematics) at the undergraduate level.

Funding for this Award has been provided by Jan Morgan, an ANU scholarship recipient herself who is keen to encourage and support more women to undertake study and develop careers in STEM disciplines.

2. BENEFITS

The value of the Award is stated in your letter of offer. The duration of the Award is up to five years. The Award is paid in equal instalments at the beginning of semester unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of the Award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The Award is available to a commencing ANU student who:

- (a) is a domestic student; and
- (b) identifies as a woman; and
- (c) receives an offer of admission to an undergraduate single or flexible double degree program offered by the College of Science, the College of Health and Medicine and/or the College of Engineering, Computing & Cybernetics at the University; and
- (d) is eligible for and receives adjustment factors for financial disadvantage.

4. APPLICATION

All applicants applying for admission through the ANU Admission Scholarship and Accommodation Application System will be automatically considered for the Award based on them meeting the eligibility criteria and electing to be considered for scholarships.

5. SELECTION

Selection is made on the basis of applicants meeting the eligibility criteria, the severity of financial disadvantage experienced and total adjustment factors. If there are more equally ranked applicants than there are Awards available, preference will be given to applicants who have received an offer to the Bachelor of Mathematical Science in the ANU College of Science.

The Award is offered to a student by the University Coursework Scholarships Committee. Details of this committee are outlined in the ANU Coursework Scholarships procedure.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. CONCURRENT HOLDING OF AWARDS

A recipient of the Award is permitted to hold concurrent student financial awards as outlined in the ANU coursework scholarships, grants and bursaries procedure.

7. DEFERMENT

The Award cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this Award is required to enrol in a full-time load of 18 to 24 units per semester. A recipient requests permission, in writing, from the chair of the selection committee to hold the Award on a part-time basis. If approved, payments of the Award will be made on a pro-rata basis.

Recipients are expected to meet the academic requirements of their program each semester.

If a recipient is unable to meet the academic requirements of their program in any semester a formal warning is sent.

If the recipient does not meet the academic requirements in a subsequent semester they risk having their Award suspended or terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the suspension or termination of an Award is made.

9. CESSATION OF AWARD

The Award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements;
- (b) at the conclusion of the period outlined in section 2;
- (c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;
- (d) if a recipient fails to enrol as required in section 8;
- (e) if a recipient changes to part-time enrolment without receiving permission to retain the Award;
- (f) if a recipient changes their program or course without permission to retain the Award;
- (g) if a recipient fails to meet the minimum academic performance requirements; or
- (h) if a recipient breaches academic or behavioural standards set by the University under the Academic Integrity Policy and/or the Discipline Rule;

whichever is earliest.

10. REPAYMENT OF FUNDS

Subject to the information available at the time, the University Registrar may request that the payment for the semester in which the breach of conditions or withdrawal occurs be refunded in part or in full.

11. PROVIDING FALSE OR MISLEADING INFORMATION

Selection for the Award is based on the information provided to the University. The Award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment for the Award.

12. TAXATION

Recipients are responsible for seeking independent taxation advice regarding their own individual circumstances. Student financial awards are regarded as taxable income if a recipient is enrolled on a part-time basis. If you are receiving Centrelink benefits, student financial awards may impact your Centrelink payments.
