THE SIMON ANDERSON SCHOLARSHIP CONDITIONS OF AWARD

1. INTRODUCTION

In 2022, the ANU College of Engineering and Computer Science ('the College') may offer up to two awards known as The Simon Anderson Scholarship ('the Award').

The objectives of the Award are to increase diversity in the technology world and encourage female-identifying undergraduates into the field of Computer Science equipping them for their future technological careers.

Funding for this Award has been provided by Simon Anderson, an ANU Alumnus who graduated with a Bachelor of Science and a Bachelor of Laws and was awarded the 2016 Alumnus of the Year – Innovation and Entrepreneurship.

2. BENEFITS

The value of the Award is stated in your letter of offer. The duration of the Award is four years. The Award is paid in equal instalments after census date each semester unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of the Award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The Award is available in 2022 to a prospective ANU student who:

- (a) is a domestic student; and
- (b) identifies as female; and
- (c) receives an offer of admission to Bachelor of Advanced Computing (Honours), Bachelor of Advanced Computing (Honours)(R&D), or Bachelor of Information Technology.

4. APPLICATION

All applicants applying for admission through the ANU Admission Scholarship and Accommodation Application System will be automatically considered for the Award based on them meeting the eligibility criteria and electing to be considered for scholarships.

5. SELECTION

Selection is made on the basis of applicants meeting the eligibility criteria. Where there are multiple applicants who meet the eligibility criteria, a merit list will be created to identify the applicant/s who satisfy one or more of the following criteria (in order of priority):

- Lowest SEIFA
- Lowest ICSEA
- Most adjustment factors

The Award is offered to a student by the University Coursework Scholarships Committee. Details of this committee are outlined in the ANU Coursework Scholarships procedure.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. CONCURRENT HOLDING OF AWARDS

A recipient of the Award is permitted to hold concurrent student financial awards as outlined in the ANU Coursework Scholarships procedure.

7. DEFERMENT

The Award cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this Award is required to enrol in a full-time load of 18-24 units per semester. A recipient requests permission, in writing, from the College Dean or Dean's delegate to hold the Award on a part-time basis. If approved, payments of the Award will be made on a pro-rata basis.

Recipients are expected to maintain a Grade Point Average (GPA) of 4.0 or above each semester (with the average being across all courses taken in a particular semester or session/s overlapping that semester).

If a recipient is unable to achieve the GPA in any semester a formal warning is sent.

If the recipient does not meet the required GPA in a subsequent semester, they risk having their Award suspended or terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the suspension or termination of an Award is made.

9. CESSATION OF AWARD

The Award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements;
